Cardiac Monitor Defibrillator DM7000 – Advanced

The DM7000 is a Cardiac Monitor Defibrillator, which comfortably meets the needs of Basic through to Advanced Life Support Providers. With integrated Automated External Defibrillator (AED), Pulse Oximetry, SpO2, NIBP and Pacing modules, it offers excellent value for money in one compact and robust unit.

Defibrillator:

Waveform: Biphasic

Charge Time: Less than 7 seconds with a new fully charged battery

Energy Display: Monitor display indicates both selected and delivered energy.

Charge Prompt Type: Voice and visual prompts.

Impedance Range: 0-250 ohms.

ECG Monitoring:

Patient Connection: 3-lead ECG cable, or 5-lead ECG cable, paddles.

Lead Selection: Displayed on monitor, paddles, I, II, III, AVR, AVL, AVF, V

Blood Pressure Cuff – Double Tube Bladder

Blood pressure monitor cuffs are used together with machines to measure blood pressure. Patients with hypertension should regularly monitor their blood pressure as this is a good indication of how blood pressure lowering medications are working or if they need to be adjusted when irregular readings are encountered.

- Comfortable and durable cuff with Velcro fastener
- Artery positioning label
- Tubing connects directly to the machine
- Excludes bulb and gauge
- Latex Free

EMS Vital Signs Monitor – VS2000 Configuration D (NIBP, SpO2, ECG, RESP and TEMP)

A high quality EMS-friendly vital signs monitor with parameters including SpO2, NIBP, Temperature, Respiration Rate & ECG.

- Easy to read 7 inch LCD Display
- Weighs only 2kg
- Accurate Nellcor SPO2 measurement in low perfusion states
- This unit offers a range of user-selectable parameters including NIBP, SpO2 (Nellcor), Pulse, Respiration, 5 Lead ECG and Temperature
- 120 hours of data storage
- Auto power off function for saving battery life
- Audible and visible alarms
- Long battery life
- Suitable for adult, paediatric and neonatal patients
- Reliable performance
- CE and ISO 13485 Certified
- Excellent results in reputable South African Emergency Services
